

Farmers Will Vote May 2 Wheat Quota

\$210 Is Asked For Navy Relief

Hosea Foster and Milton Morris Are Co-Chairmen of Naval Relief Drive

Randall County's quota in the Texas drive for \$210,000 for the Navy Relief Society is set at \$210.00 by co-chairmen, Hosea Foster and Milton Morris, who this week are working to close the drive by Saturday night.

These men were recently named co-chairmen of the Navy Relief Society for this county by Attorney General Gerald C. Mann, chairman of the Texas Citizens Committee on the Navy Relief Society.

The week of April 19 through 25 has been proclaimed by Governor Coke Stevenson as "Navy Appreciation Week" in Texas and during this period the solicitation of funds will be made.

Since the beginning of American Naval history, the men of our Navy have banded together to be assured that their families back home would be cared for in time of need. This is the first time these men have asked the public to assist them in their relief fund, but since Pearl Harbor the burden has been too great for them to carry alone.

Co-Chairmen Foster and Morris are confident that the Randall County quota shall be reached, if not exceeded, this week, but they urge all to make a donation.

All direct contributions and checks should be mailed to W. C. Black, local treasurer of the Navy Relief Drive, stated Mr. Foster.

China Relief Is Nearing Quota in Randall County

Randall County lacks \$122.78 of raising its quota of \$500.00 for the United China Relief Fund, stated Dr. H. A. Brown, local chairman. It is likely that there are numbers of people who would yet like to make a contribution to this worthy cause, and all are asked to do so at the earliest possible date.

The local committee is anxious that the drive be brought to a close at an early date but contributions will be received during the remainder of this month at the First National Bank or any business house in Canyon.

The amount collected up to yesterday morning was \$377.22 which amount was forwarded to headquarters by Dr. Brown.

Two W. T. Girls Are In Huntsville Fire

Misses Mabel Back and Charlotte Buchanan lost their clothing in a fire at the Plaza Hotel in Huntsville early Friday morning. They were there to attend the convention of the Texas Intercollegiate Press Association.

The fire started in a grocery store below the rooms in which the W. T. girls were sleeping and their rooms were full of smoke when they woke up. They took time only to grab a coat and their money and rushed down the stairs with other delegates and hotel guests.

No one received serious injuries. The homeless delegates spent the remainder of the night in homes of faculty members. Dr. J. A. Hill wired money for clothing, so the girls stayed in Huntsville for the convention.

Others representing W. T. at the convention were Olin E. Hinkle, sponsor, Stuart Condron, and Roy Cheatham.

Mrs. W. N. Cox Died Sunday Night in Ardmore, Okla.

Mrs. W. N. Cox of Canyon died Sunday night in a hospital at Ardmore, Okla., where she had been receiving treatment for heart trouble. Mrs. Cox and her husband had gone to Oklahoma to visit relatives when Mrs. Cox became ill.

Funeral services were held Wednesday morning at 10:30 o'clock in Alma, Okla. Mrs. Cox was a member of the Church of Christ here.

The 77-year-old woman was the mother of 10 children and one adopted daughter. She had been living with her husband on the G. W. Cox place northwest of Canyon.

Mr. and Mrs. G. W. Cox left early Monday morning for Oklahoma to attend the funeral. Mrs. Cox was the step-mother of G. W. Cox.

Mr. and Mrs. Rex Lawley of Amarillo spent Sunday here visiting Mr. and Mrs. J. W. Lawley.

Annual Election Under AAA to Decide Future of Wheat Throughout the Nation

Wheat farmers will decide May 2 whether they will continue the Wheat Marketing Quotas and wheat loans on the 1942 crop. According to the AAA law it is necessary to hold a referendum of wheat growers in any year that the supply of wheat reaches 135% of the needs for domestic consumption plus export.

The present supply is far more than the extra 35% needed for a safe reserve. The prospects are now that more than a 12 month supply will be harvested this year. The Marketing Quota provision of the law seeks to divide the limited market for wheat among all growers on the acreage allotment basis. This is done only when approved by a two-thirds vote of wheat producers.

Price supporting loans will be made on eligible wheat if two-thirds of the producers voting favor marketing quotas on the current crop. Most students of world trade in its relation to the American wheat growers are of the opinion that our present huge surplus of wheat will be a fine thing for this country in the present emergency if it can be held in storage without causing bankruptcy of the producers. This can be done by the marketing quota system.

The United States entered World War I in 1917 with about 80 million bushels of old wheat on hand. This was not enough to supply our allies and our domestic needs during the war. The result was a price of over \$2.50 per bushel for wheat. At the present time this country has over 600 million bushels of wheat to carry over while Canada and Argentina also have heavy surpluses that cannot be sold.

Some of the 1941 loan wheat is being sold for livestock feed and some is being sold to processors for making alcohol. This will make only a very small dent in the surplus already on hand.

The Commodity Loan program is simply a program for holding the surplus wheat until it is needed without ruinously low prices to the producers.

The local Triple A committee urges that every wheat grower vote Saturday May 2. A list of voting places and referendum committees is being mailed to eligible voters this week.

Must Render Tax in Order to Get Homestead Credit

Taxpayers who wish to take advantage of homestead exemptions must render their property on or before April 30, according to Tax Assessor M. E. Cantrell.

J. H. Lisle is assessing taxes for the county but there are many property owners who have so far failed to render their property.

Homesteads are subject to a \$3,000 credit on state and county taxes, provided the owners render their property for taxes on or before April 30. This means a considerable saving in taxes to those who render their property.

J. C. Gafford Died Friday; Funeral Is Held on Sunday

James Chalmers Gafford, 58, died Friday morning at 2:15 o'clock at the family home east of Canyon. He had been in poor health for a number of years.

The funeral was held Sunday afternoon at 2:30 o'clock at the Methodist Church, conducted by Rev. C. C. Armstrong, assisted by Rev. A. M. Dorsett.

Interment followed in Dreamland Cemetery in charge of the Griggs-Thompson Funeral Home. Pall bearers were: Carl Love, O. F. Thomas, John Burgess, G. M. Abbott, A. R. Glenn, O. P. Simmons.

Survivors were: the wife, Mrs. Bertha Gafford; one son, Bill D. Gafford, Dimmitt; three daughters, Mrs. J. B. Hickerson, Mrs. Arvo Goddard, Miss Dorothy Gafford, all of Canyon; the father, L. R. Gafford, Tulsa; four brothers, L. R. Gafford, Tulsa, Geo. Gafford, Lubbock, Walter Gafford, Brownfield, Douglas Gafford, Tulsa; two sisters, Mrs. Will Payne, Big Spring, Mrs. Ober Cooper, Rising Star.

Rain Covers All Parts of County

Wheat Is Greatly Aided
by Rain and Cool Weather
of the Past Week

Rain in Canyon Sunday night and Monday amounted to 1.24 inches. Another shower before 7:30 this morning added .05 of an inch. Heavy rain fell later.

The rain was spotted over the county ranging from 3 inches in the northwest section to only a quarter inch in parts of the southeastern part of the county.

The temperature has been low all this week, but at no time has there been danger of frost.

Wheat is in excellent condition. Less wheat acreage has been lost this spring than normally. No wind has done damage and only small sections have been damaged by the green bugs.

Buffalo Lake continues full, and all lakes and creeks have ample water.

Practically every home in Canyon is preparing for a large Victory Garden this year, and the splendid weather has certainly been of great benefit for this enterprise.

High Officials to Talk About Bonds Tonight

Secretary of the Treasury Henry Morgenthau, Jr., Secretary of Agriculture Claude R. Wickard, and leaders of business and labor organizations will speak on a special broadcast tonight over the Blue network from 10 to 10:30 p. m. EWT.

The broadcast will be devoted to discussion of the national war bond quota system and the 10% payroll savings plan. A special guest on the program will be the hero, Naval Pilot Lieut. Commander Edward Henry O'Hare.

Other speakers will include AFPL President William Green; CIO President Philip Murray, and many other business leaders.

LEFT FOR WASHINGTON

Miss Evelyn Smith left yesterday for Washington, D. C. She qualified under civil service as a senior typist and will start work as soon as she reaches Washington.

Miss Smith is a graduate of Canyon high school of the class of 1940.

Mr. and Mrs. Max Brady and children have moved here from Marshall. They recently bought the Price place north of Canyon.

MARRIAGE LICENSE

Mrs. T. V. Reeves and Miss Jennie C. Ritchie left yesterday for Mineral Wells and Waco.

Dr. and Mrs. J. A. Hill spent Sunday at the Harold Shanklin home in Portales.

Bill Lampe, deputy U. S. Marshal, was here Monday on business.

Army Takes Two WT Coaches

Far reaching changes in the West Texas State College coaching set-up were announced this week as Athletic Director Al Baggett packed his bags for Army service and Head Coach Leslie Van Meter faced the certainty of leaving for Army duty by June 1.

Assistant Coach Gus Miller, who arrived from Texas Wesleyan of Fort Worth on April 1, has been made head football coach, acting athletic director, and head basketball coach. His assistant has been selected but not announced.

Baggett, developer of the world's tallest basketball team and Van Meter, who replaced Jack Curtice early this year when Curtice went to Texas Mines, will be away on leaves of absence "for the duration."

Miller, former West Texas State star athlete, opened spring football training this week. Spring basketball practices directed by Captain William Stockman also are under way. Coach Van Meter will take track and field men and four tennis players to Tempe, Ariz., next week for the annual meet at Arizona State College.

Plans for the changes have been developing for some time. Coach Baggett, an Army Reserve Major, will leave soon.

More than two dozen Buffalo athletes have enlisted in the Navy and Marine Corps this year. Most of them are remaining in college to take required courses.

45-64 Year Men To Register

Clean Up Day Great Success

Only Part of Town Is
Covered Saturday; City
To Continue Clean Up

Fifty truck loads of rubbish were hauled out of the alleys Saturday. Only a small part of the town was covered during the day owing to the large amount of rubbish which had accumulated since last Clean Up Day.

Mayor C. H. Jarrett states that city trucks will be kept on the clean up campaign and that the alleys will be cleared as quickly as possible.

Considerable time was lost Saturday because citizens had failed to stack their rubbish, especially tin cans, and had not burned everything that could be burned. Men working on the clean up job do not have time to stop and rake up rubbish which is scattered over the alleys. This should be raked into piles. It will save much time for the workers if every citizen will burn all of the rubbish that can be burned.

Weeds are growing rapidly in the alleys and Mayor Jarrett states that he wants to get these cut as soon as possible so that breeding places for flies and mosquitoes will be eliminated.

Members of the Lions Club worked on the Clean Up Campaign all day Saturday and did a most effective job.

Several business men devoted several hours Friday to sweeping the pavement around the square in the pre-Clean Up campaign.

Star Track and Field Men Here for Region Meet

The Interscholastic League Regional meet will be held on the campus of West Texas State College this week end.

All of the regional track and field meet records of the League have been broken here since 1934 when they were made in a raging dust storm. The regional meet will be confined to Saturday afternoon. Coach Al Baggett will direct the athletic events.

Miss Fern Walters left early this week for Chandler, Ariz., to attend the graduation exercises of James Curtis Shepherd, whom she is to marry soon. He is completing his course in the Army Air school there. She was accompanied by Mrs. Marie Bloodworth.

Miss Robbie Foster left Sunday for Washington D. C. where she has accepted a position as stenographer.

Mr. and Mrs. N. E. McIntire spent Sunday in Tulsa visiting her sister, Mrs. G. C. Hutchinson.

The work of Lieut. Reeves Donnell has been highly complimented by Col. E. A. Keyes, inspector, from the 8th Corps Area.

Col. Keyes inspected the five companies of ROTC in the Amarillo high school and gave "excellent" on all 25 points on which the boys were graded. "This unit has attained an especially high rate of efficiency. It should be designated a Junior unit," reported Col. Keyes.

Lieut. Donnell is drilling men in West Texas State. Men who have taken the training and entered military service report that they have advanced rapidly after entering training as selectees.

Retail Sugar Dealers To Register Tuesday

Blanks Available Friday:
Will Register at the Canyon
High School Tuesday

The first registration under sugar rationing will be held next Tuesday at the Canyon high school building. This first registration is only for retail stores, drug stores, hotels, cafes, wholesale houses, dormitories, and institutional or industrial users.

The registration will be at the Canyon high school building under the direction of Supt. J. B. Speer. S. B. Orton has been appointed adviser for this group. There are between 30 and 40 retail stores and other user in the county in this group. Owing to the small number, work in the high school will not be closed Tuesday, but some of the teachers will be assigned to the task of registration of this group.

It is important that each one in this group shall secure the registration form in advance and make out the estimate of sugar handled during 1941 before going to the high school (Continued on page 5)

Brother of Mrs. H. Cash Buried Monday

Mr. and Mrs. Harvey Cash attended the funeral of her brother, James Hall Bell, in Hereford Monday. Rev. Alfred Dorsett, Rev. Joe Findley and Mrs. Nancy McCaslin also attended.

Mr. Bell is well known on the Plains where his family was among the pioneer settlers. He has been a social worker in San Diego, Calif., and a letter from the mayor highly praised his work in that city.

Mr. and Mrs. Virgil Briscoe of Fort Worth are here visiting in the parental W. M. Amason home.

Marion Bishir To Head Rotary Club Starting July 1

MARION S. BISHIR

At the annual election of officers of the Canyon Rotary Club Tuesday, Marion Bishir was elected president for the year starting July 1.

Other officers named were:

Lee Johnson, vice president.

Boone McClure, secretary.

Directors: Stuart Condron, Lester Sheffy, Guy Harp.

Dr. J. Francis Brown of Amarillo was a visitor.

The chorus of the Lions Minstrel visited the club and sang one of the songs which will be on the program next Monday and Tuesday nights.

Rotarians will join with the Lions in making this event a great success. A vote of thanks was also given the Lions for sponsoring the Clean Up Day last Saturday.

District Court To Start Spring Term on Monday

The spring term of district court will start next Monday. This is the first time that such a session of court has been held under the new law which was passed by the last session of the legislature.

On account of Monday being the fourth registration day, Judge E. C. Nelson will use the county court room to empanel the grand jury. The petit jury has not been called for Monday.

A number of cases are ready to present to the grand jury when it meets, states Sheriff M. E. Cantrell. This extra session of court was authorized in order to take care of criminal cases so that the county would not be out the expense of holding men in jail for long periods.

J. S. McCormick to Be Buried Today at Dreamland Cemetery

The funeral of J. S. McCormick, 70, was held this morning at 9:30 o'clock at the St. Ann's Catholic Church in Canyon. Rev. Fred Hyland was in charge of the services.

Mr. McCormick died Monday afternoon at 3:30 o'clock following an illness of nearly two years.

He was a pioneer settler of the Nazareth community where he was a farmer for 30 years. He served as county commissioner and deputy sheriff of Castro county. He moved his family to Canyon 23 years ago. He was a member of the Catholic Church and of the Woodmen of the World.

Interment was in Dreamland Cemetery in charge of the Blackburn-Shaw Funeral Home.

The following were pall bearers: C. H. Hines, Herschel Hines, Frank Clifton, T. V. Slack, Guy Harp, and D. M. Foster.

Survivors include his wife, three sons, B. T. McCormick of Borger, E. J. McCormick of San Antonio, and P. H. McCormick of Amarillo; two daughters, Mrs. M. E. Cantrell, Canyon, and Mrs. Bill Lomax, Amarillo; four brothers, Tom, Doderick, Michael and Edward McCormick, all of Fort Worth; and four sisters, Mrs. Frances Hyland, Nazareth, Miss Mary McCormick, New York City, Mrs. Amelia Heidergerken, Amarillo and Mrs. Andy Forsythe, Junction City, Kan.

Mrs. Berl Mayfield and Mrs. J. A. Edwards spent Sunday in Childress visiting Mr. and Mrs. R. C. Taylor.

Mrs. Taylor is the former Miss Carolyn Mayfield.

Monday Is 4th Registration Day

Men Born After April 28,
1877, and Before Feb. 16,
1897, Will Register Monday

The fourth registration under the Selective Training and Service Act will be held next Monday, April 27. In this registration all men between the ages of 45 and 64 years, inclusive, are required to register by a proclamation of President Roosevelt.

Every male citizen of the United States, and every other male person residing in continental United States, or in the Territories of Alaska and Hawaii, or in Puerto Rico, other than persons specifically exempted by law, born on or after April 28, 1877, and on or before February 16, 1897, who have not heretofore been registered under the Act, must register.

There will be two registration places in Randall County: On the third floor of the court house, and at the Alice Landegin School in South Amarillo. Volunteers are needed to do the registering at the court house. Men and women who will volunteer to assist are asked to telephone Mrs. Tommie Prichard, clerk of Selective Service, and arrange for the hours which will be most convenient for them to work next Monday. The phone is No. 46.

It is not contemplated that men of this group will ever be called into military service. No national drawing will be held, although serial numbers will be placed on each card. No order numbers will be given these men. At the present time men 45 years of age are not accepted in the army unless they have had previous military experience.

It is expected that vocational questionnaires will be filled out by this group, although no definite instructions have been received.

Men may register between the hours of 7 o'clock a. m. and 9 o'clock p. m. However, it is hoped that all men will arrange to register during the day so that those who volunteer to assist will not be forced to stay at their post late at night.

Many Volunteers For the Military Service in County

The following men have volunteered for military service during the past week:

Frank Eugene Coan, navy.
Thos. Theodore Byrne, navy.
Jesse James Simons, navy.
Kenneth Newte Whippe, Royal Air Corps.

Farest Moody Hill, coast guard.

The local board has been swamped this week with physical examinations for men. With a call for 83 men on March 4, all available men are being given physical examinations. The local board spent Thursday and Friday carefully considering the standing of all men who have not been called into military service, and calling them up for physical examinations.

Questionnaires for men who registered on Feb. 16 are being mailed as rapidly as possible, and these will be classified in a few days.

Five men were rejected Thursday at the induction station at Lubbock when a group of men took their physical examinations.

Army Pilots Make Surprise Visit

Lieut. Meredith Warren made a surprise visit here, spending Saturday night with his parents, Mr. and Mrs. W. A. Warren.

Ten bombers, A-29, each with a 7-men crew were being transferred from California to New Hampshire for 45-day patrol duty. The bomber crews spent Friday night in El Paso and were bound for Memphis when they ran into a storm. They came north as far as Plainview, turned east toward Oklahoma City where they intended spending the night. However, another storm caused them to return to Amarillo. Lieut. Warren phoned his parents, this being the first notice they had received that he was passing over Texas.

The bombers left Amarillo Sunday morning but were forced down again at Tulsa where they spent the day.

The machines caused much excitement at the air port in Amarillo as this was the first visit of machines of this type.

Lieut. Collie of Waco and Lieut. Dooley of Ft. Worth spent the night here at the Warren home.

IS PATRIOTISM LAGGING?

The day and week after Pearl Harbor, patriotism was rampant throughout America. Everyone was asking what they could do to whip the Japs. They joined the fighting forces in great numbers; they bought bonds in large amounts; they wanted to help the Red Cross, USO, and other relief funds. They were all-out for the United States to win.

Since then, there has been noticeable cooling off of patriotism all over the nation. Is our patriotism lagging, or have we changed our mind about this war business? Have we decided that it might be a good thing to profit as a result of the war activities before we start winning the war by really fighting?

If this country is worth saving from the dictators, and if our Democratic way of life is better than the slavery of France and the other conquered nations, then every citizen has a job to perform, and the sooner we buckle down to the job the sooner shall we be able to resume the normal way of life. With the exception of a few brushes with the enemy, the United Nations have so far lost every battle—and the enemy is still going strong on every front. Until there is some indication that a real offensive is underway, every citizen has a whole of a job to do.

Without doubt, production has been speeded up, and American war machines are going to our allies in increasing numbers. This takes

more money—and we must furnish this money.

To man these machines, fighting men are required. Randall County now has about 280 men in the fighting forces. We are called upon to furnish a large number of men next month, and the calls will be heavy throughout the summer. We must build an army if we expect to win. Of course it would be a fine thing if boys from other counties and other states would do the fighting for Randall county boys—but we have a job to do, and Randall county boys are ready and willing to take their places at the front. The young men who have not been called into the service stand ready to go when they are needed. A few persons cock their heads to one side and say that Randall county is being discriminated against, and that we are sending more men than our share. We still have faith in the honesty and integrity of our government.

Those who do not wish to do their part in this national crisis should remember the fate of France, when that nation was broken into clans and cliques, with a score of political factions all of which were trying to profit at the expense of others. We are certain that today Frenchmen wish they had stood together; that they had been willing to make sacrifices; had ousted the rabble rousers who kept them in political and economic turmoil; that mothers had been willing to give up sons to military service and wives would have been willing to sacrifice the pleasures of home life so that their husbands might fight at the front. Today the French are slaves to Hitler; they have lost all that they thought they held safely within their reach.

"It could happen in America." Yes, as terrible as those words are, it could happen here unless our patriotism is kept at white heat and our people are united in the cause of freedom.

Clean Up Day last Saturday was a decided success. However, the day was not long enough for the trucks to cover the entire town. As a matter of fact only half of Canyon was touched in the campaign. Mayor C. H. Jarrett will keep trucks on the job until all alleys are cleaned up. The city will then cut the weeds in high weeds. The campaign should be carried on by all citizens. One common complaint was found in the campaign: People had failed to rake up the trash which they wished hauled away and had failed to burn all rubbish which could be disposed of in this manner. When the truck drivers have to stop to rake up tin cans, valuable time is lost. The city wants to make this campaign complete, and asks the full co-operation of all citizens.

The most sweeping regulation of the war starts next Monday when the sale of sugar stops until ration books are issued. These books will be issued starting May 4. This regulation will affect the daily life of every individual in the nation, making every one conscious of the war. Persons are warned not to try to beat the regulations. You will be surprised to know how much your neighbor knows about the supply of sugar you have on hand—or at least think they know—and don't kid yourself that they will not report any hoarding of sugar.

In digging up labor disputes, it is found that probably the first strike of importance in Texas occurred right here in the Panhandle. It was the famous cowboy strike, which R. E. Baird has so often related. The cowboys struck in 1883 when they asked for \$50 per month. Their working week was 105 hours, but there was no dispute about this. Cowboys just naturally worked as long as it was necessary to get the job done. Mr. Baird, oldest resident of Randall county, came in the spring of 1883, and has often related the history of that strike.

Poor France! Laval is leading the nation closer to war with the United States. The patriotic Frenchmen are slaves to Hitler, and there is little they can do about it. France is paying the penalty of allowing greedy politicians to sell the nation out to her enemies. The governed should have a right to say as to the kind of rule which shall be imposed upon them. That

is the Democratic way of life—but it is gone from France.

American fliers paid Japan a surprise visit. Our fighters have said nothing, but the Japs are doing a lot of squaking and have made many guesses as to the base from which our bombers were flying. This war will end pretty quick when the United Nations bomb hell out of Berlin and Tokyo. The Axis can dish it out, but they surely cannot take it.

One happy thought: The Germans will get the French navy BUT they will not be able to use it. Ships require a lot of oil. Hitler has not been able to steal much oil, and so far the Japs have not added much to their reserve. The Allies have destroyed every oil field before it fell into the hands of the Axis. The vaunted French navy may not be of much use after all.

Men 45 to 64 years of age will register next Monday. None of them are liable for military service. When occupational questionnaires are sent to these and other men, they may be found available for other kinds of war work.

W. T. High School To Present "What A Life" Tonight

This evening at 8:30 o'clock, in the Education Building Auditorium, the seniors of W. T. High School will present a three-act comedy, entitled "What a Life." This play is the story from which the popular radio program, "The Aldrich Family" developed.

Henry Aldrich, as played by La Voe Wilson, seems to have a mania for trouble. His girl-friend, Barbara Pearson, played by Margaret Young, has her share of troubles.

James Sharman has the role of Mr. Bradley, the principal of Central High. He has to cope with all the problems of the younger generation, and sometimes he almost loses his sense of understanding.

Mr. Bradley's secretary, played by Jean Kleinschmidt, is an attractive, capable young woman who is in love with the assistant principal, played by Dudley Nix.

Obed Caraway has the part of the bully of the school.

Clavelle Boling is Mrs. Aldrich, the typical American mother.

The part of Mr. Ferguson, the police flunky from headquarters, is played by Sam Johnson.

Gertie and Betty, two little boisterous girls are Joy Cain and Dortha Dean Stallings.

The teachers are Miss Wheeler, Frankie White; Mr. Patterson, Donald Moore; the precise Miss Eggleston and Miss Pike, Helen Ham and Willie Mae Holman; and Miss Johnson, Jackie Weathersbee.

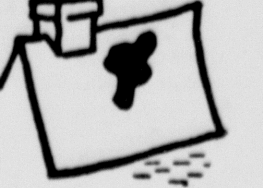

The setting is the principal's office in Central High School; the time is a morning in the spring. There are many activities going on in the school, and Henry Aldrich is in the midst of all of them. Admission is 25 cents.

Yes, vaccine prepares you to beat trouble... now how does this oil work that principle?

Like a plague, modern driving conditions are widely attacking motor oil—wasting it away. Nature can't modernize her oil. And the best refining even weakens certain natural "immunities"...

BUT CONOCO Nth OIL makes it all up—and then some—with its modern man-made preventives. They get the credit for its healthy record of more than twice the mileage averaged by five other fine oils in a Death-Test lasting till engines burned up.

The rival oils, in identical cars, under impartial observation, braved blistering Death Valley with a strict 5-quart fill apiece and no more. One gave out when Conoco Nth was still more than two-thirds up! None came closer than a bare 58% of Conoco Nth mileage!

Get this same Conoco Nth oil for the Spring change that your engine must have. You'll be getting the added modern synthetic, Thialkene inhibitor, to forestall the fouling attacks of highest engine speeds and pressures. Instead of breaking down into so-called varnish, gums and worse obstructions, your Conoco Nth oil can stay more like its own good self—to help your mileage stay up.

The out-and-out Death Valley victory proved it—and proved once again that an

OIL-PLATED engine lives long. OIL-PLATING, a recognized Conoco advantage through the years, comes from the other great synthetic in Conoco Nth. This exerts magnet-like action to envelop inner parts in close-bonded lubricant that doesn't all quickly drain down. Instead it stays plated in place—much as any other plating—and that's what the conventional movable oil film slides on!

You're one more remove from excess wear—from the hazard of repairs and delay these days. You're up to the Nth degree of oil mileage for your car. Change now at Your Mileage Merchant's Conoco station. Continental Oil Company

The true role, in determining to embrace or reject anything, is not whether it have any evil in it, but whether it have more of evil than of good. There are few things wholly evil or wholly good. Almost everything, especially of Government policy, is an inseparable compound of the two, so that our best judgment of the preponderance between them is continually demanded.—A. Lincoln.

The world's a city full of crooked streets, Death's the market-place where all men meet; If life were merchandise that men should buy, The rich would always live, the poor might die.—Epitaph.

I held it truth, with him who sings To one clear harp in divers tones, That men may rise on stepping-stones Of their dead selves to higher things.—Tennyson.

What worries me is . . . what happens when they get a day off after working their heads off all week? They go to town . . . and what then?

What happens? The answer is . . . mostly nothing! Because most towns near army camps just don't have nearly enough entertainment facilities to take care of the soldiers on leave. So the boys just stand around, leaning against lampposts or sitting on doorsteps. And sometimes, the local townsfolk find themselves wondering what's changed the town . . . instead of pitching in to help the boys have a good time in decent surroundings.

In many towns, however, the situation is better. Many towns have nice, community places where a soldier can go sit down and "chew the fat" and enjoy some cake and milk, or maybe a good glass of beer. The boys like that. And they're not likely to get in trouble . . . because common sense tells you

COUNT BYRON DE PROROK

Tobruk Siege To Be Shown

Count de Prorok Will Lecture on Africa in Lyceum Number

A man who is as familiar with the remains of ancient civilizations as he is with present regimes will give an illustrated lecture at West Texas State on the evening of April 22 on "The African Drama."

Count Byron de Prorok will be making a second appearance here, where the Panhandle-Plains Museum has claimed many hours of his time. And on the coming occasion De Prorok will remain two days in order to visit some of the sites from which museum fossils have been taken.

De Prorok was twelve years old when he started digging. At 23, he was put in charge of the excavations at Carthage by the French government. He was a pioneer in popularizing archaeology for the man in the street. More than 200 students have accompanied him on eighteen expeditions. He is especially famed for his use of the airplane and diving apparatus in archaeological research.

He has probably dug up more mummies and skeletons than any other man alive—in Carthage, Utica, Sahara, Libya, Ethiopia, Arabia, Mexico, Algeria, in the Persian gulf, and in the Red Sea. He has filmed more than a million feet of the lost civilization of Africa and Egypt.

De Prorok's latest book, "Dead Men Tell No Tales," contains more than 300 pages and many photographs.

A feature offering here will be a film showing the siege of Tobruk, presented to De Prorok by the English government in appreciation of his services as an adviser in this war.

Amarillo Kiwanis Honor West Texas State Buffaloes

Members of the current issue of "The Tallest Team in the World" were visitors at the Kiwanis Club luncheon in Amarillo yesterday at noon.

Jerry Malin, Amarillo Globe-News sports editor, reviewed the season just finished. Coach Al Baggett told the group of outstanding and favorable traits of the men on the basketball team.

Other guests from here were Dr. J. A. Hill, Coach Leslie Van Meter, Coach Gus Miller, Student Manager Ralph Davis and Olin E. Hinkle.

nothing can be wrong about a couple of glasses of beer.

There's another reason, too. The beer industry is cooperating with the army and with the law-enforcement officers to help keep the places where beer is sold, clean and decent. The brewers don't want their beer sold to soldiers in places where bad conditions exist . . . and they're right.

Seems to me that we Americans ought to get together and do everything we can to make things pleasant for the boys who are in training. They're doing their duty . . . maybe we have some duties, too, in this direction.

There are lots of ways of helping. We ought to support them all. All of us have our part to play in winning this war . . . and making life a little easier for the boys in camp is something we all can do something about.

VERY OFTEN these days, I get to thinking about the soldier boys at camp. And the sailors, too.

Jap Students Not To Attend W. T.

Dr. J. A. Hill Makes Survey of Students and Faculty Before Answering

The world-wide war brought another unusual quirk to the campus last week when the University of California wrote to President J. A. Hill of the College requesting that two Japanese students in the University be sent to West Texas State College.

Dr. Hill presented the problem, of whether acceptance of the two would be advisable, to numerous groups during the day. At a meeting of the Student Senate and officers of all classes, Dr. Hill found in his survey that 14 students favored the coming of the Japanese students while three opposed the move.

Mrs. Kunitani, International House employee who wrote the request, told that the students were business administration students and were United States citizens. They are Christians, she stated, and will be interned for the duration if not removed from this area.

Groups of faculty and administrative officials were almost opposite the students in their opinion with approximately two-thirds of the group consulted not in favor of the students' coming here.

Dr. Hill reported that no one opposed the coming of the Japanese except for what might be the result of unfriendly attitudes from towns-

people, people in this area and of students.

In response to the letter, the President replied that it would depend upon the attitude of the Federal government and its wishes in the matter if West Texas State were to accept the students. "We would be glad," Dr. Hill said, "if the government favors a general

program of this type, but if this is to be an isolated case, I could not accept the request without consulting the Board of Regents."

The main objection to the students' coming was that their own safety would be endangered.

Antony, in misfortune, was most nearly a virtuous man.—Plutarch.

Miss Margaret Barrett was in Oklahoma City Friday and Saturday attending the biennial conference of the Southwest central section of the American Association of University Women. Miss Barrett was recently elected president of the Canyon branch for the coming biennium.

Local branches from Texas, Oklahoma, Kansas, Arkansas, and Missouri were represented at the meeting. Of the 921 branches of the A. A. U. W. in the United States, 189 are located in the Southwest central section.

The national convention of the A. A. U. W. will be held in Dallas in 1943.

BUSINESS CENTER IS STUDIED BY HIGHLAND CLUB

Members of the Highland H. D. Club showed a deep interest in the discussion on a "Business Center in the Home," which was given by Miss Frances Wilroy, county home demonstration agent, at the home of Mrs. Ray Debenport on Tuesday, April 21.

Bulletins were studied, giving ideas for different forms of business centers from very simple home made ones and including regular desks.

Many people, who keep farm or home records or both, find that this task is more satisfying and easier to do when there is a definite place in the house for such records; and when the materials needed to do this task are assembled in one place. This may be all that is needed to persuade one to keep records.

Mrs. Debenport served a dessert of ice cream with strawberries and vari-colored iced cakes to three guests, Mrs. Kate Binford, Mrs. H. H. Elam and Mrs. Carl Fuqua; and to members, Mrs. Jack Fuqua, Mrs. Clay Fuqua, Mrs. Billie Miller, Mrs. Truman Miller and Mrs. Lawrence Fulton.

The next club meeting will be at the home of Mrs. Pearl Nesselroad on Tuesday, May 5.

Sunday guests of Mr. and Mrs. Worth A. Jennings were Mr. and Mrs. Vester Hill and family of Spearman.

Mr. and Mrs. Felix Pierce spent Sunday in Floydada visiting her mother, Mrs. S. L. Rushing.

F. B. Shepherd Is Bringing Good Sermons Daily

Sermons of evangelist F. B. Shepherd are being received with much interest this week during the Gospel Meeting here at the Church of Christ with services being held twice daily at 10 a. m. and 8:30 p. m.

"Can We All Understand the Bible Alike" will be the subject of tonight's message. Other subjects to follow on Friday, Saturday and Sunday nights will be "Voices in Conflict," "Preaching Christ," and "Does It Make Any Difference."

This meeting is announced to continue through Wednesday night of next week with the service twice daily as above stated. Congregational singing under the direction of Olin Huff is a feature of this series. The public is cordially invited to attend. One promise is being made by the minister J. L. Banks—no collections!

STATE CONVENTION SPEAKER

Dr. H. A. Brown spoke on "Health Efficiency" Saturday at the Texas State Chiropractic Research Society Congress at San Angelo. He attended the congress Thursday through Sunday. Mrs. Brown accompanied her husband and visited her sister, Mrs. W. L. Diltz, at Coleman.

Mrs. Jim Johnson last week returned from two weeks spent in California where she visited with her two sons, Elghin and John Johnson. She made the trip out with a daughter and her husband, Mr. and Mrs. G. J. Slaton of Amarillo who stayed in California. Mrs. Johnson says she experienced a real blackout while on the west coast.

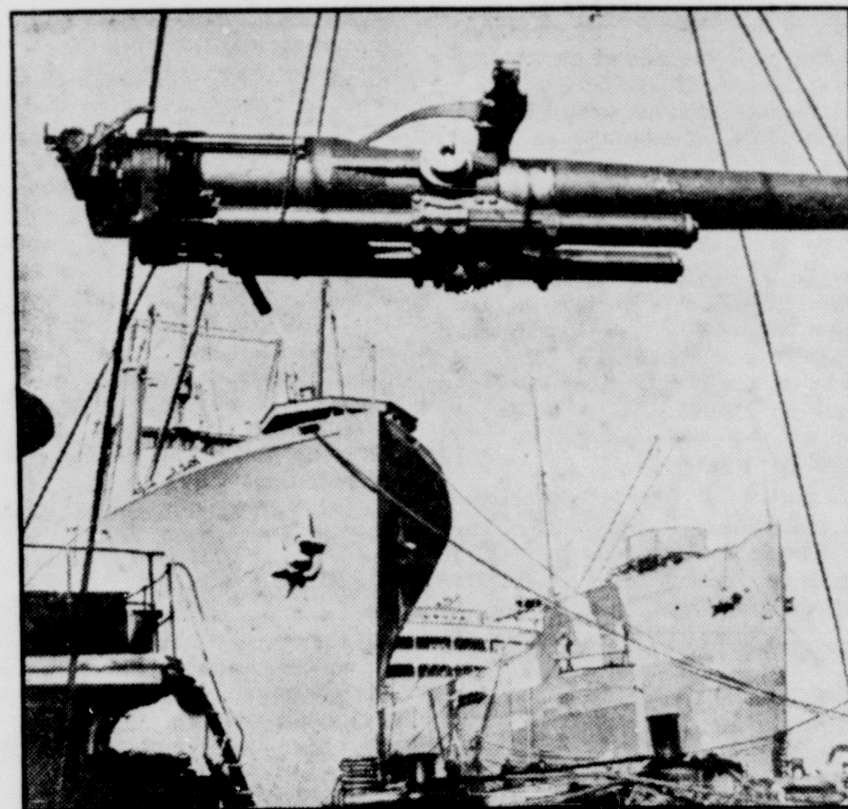

President and Mrs. Law Sone of Texas Wesleyan, Fort Worth, are visiting at the home of his parents, Mr. and Mrs. C. L. Sone. Mrs. Gus Miller accompanied them to visit with her husband, Gus Miller, new coach at West Texas State.

Mrs. J. S. Witt of Wheeler and her daughter, Mrs. Roy Carver and children of Amarillo, were guests here Monday in the home of Mrs. Josie Atkins. Mrs. Witt is a sister of Mrs. Atkins.

Extracts Quinine From Sagebrush

Former Arizona cowboy W. D. Hoppie, 60, Los Angeles, believes enough quinine can be extracted from black sagebrush to take the place of former imports from the Far East. His process may be applied soon on a commercial scale, since sagebrush grows in abundance throughout the west.

MacArthur Day Is Next Tuesday

Wes Izzard, Accompanied By Army Officer, Will Speak in Assembly

Students and faculty members of the College and townspeople will honor General Douglas MacArthur next Tuesday with a MacArthur Day assembly program and a dance at Cousins Hall Tuesday evening.

Wes Izzard, news commentator for station KGNC in Amarillo has been selected by Tri Tau fraternity and the Defense Stamp Committee sponsored by Dr. Ima C. Barlow, sponsors of MacArthur Day, to speak during the assembly hour. Besides this short, but informative address, Prof. James Butler will read a poem suitable to the occasion which has been written since December 7 and used on numerous radio hookups.

The Buffaletts, College trio composed of Jeanne Lively, Meribelle Hazard and Louise Roach, will sing and Houston and Weldon Bright will lead a group singing of songs made popular since the outbreak of war.

MacArthur Day is being sponsored to promote sale of defense stamps and bonds. Admission to the Defense Dance Tuesday night will be the purchase of a 25 cent defense stamp. Stamps are to be kept by students purchasing them.

Nothing but rats and mice is killed by Ray Rat Killer. Stewart's Feed Store.

Mrs. George Archer of McAdoo spent the week end here with her husband, and her father, D. Mack Stewart.

Mrs. Ruby Cochran and Mrs. Velma Lyons, welfare workers, attended a staff meeting in Amarillo Friday afternoon.

Mrs. Jessie Reid returned last week from Chillicothe and Wichita Falls where she had been visiting.

Love all, trust a few, Do wrong to none: be able for thine enemy Rather in power than use, and keep thy friend Under thy own life's key; be check'd for silence, But never tax'd for speech.

District Meet at WT Saturday Sets Many new Records

Participating in one-act plays, extemporaneous speaking, declamation, writing, shorthand, Spanish, typewriting, track, tennis, and other contests, high school students from over the Panhandle gathered here last Friday and Saturday to determine winners of the District Interscholastic League in each activity.

Competition was keen in all the various fields of work. Honors were well distributed among the schools participating, although Amarillo students won heavily.

Vada Mae Parrish of Canyon placed second in the ready writers' contest, and Joyce Crowley won second place in the typewriting contest.

In the track and field events, Canyon teams placed fourth, having been defeated by Amarillo, Claude, and Dumas. Four records were broken.

Mrs. W. H. Chambers returned to Canyon Monday, after having visited her daughters in Dimmitt and Waco.

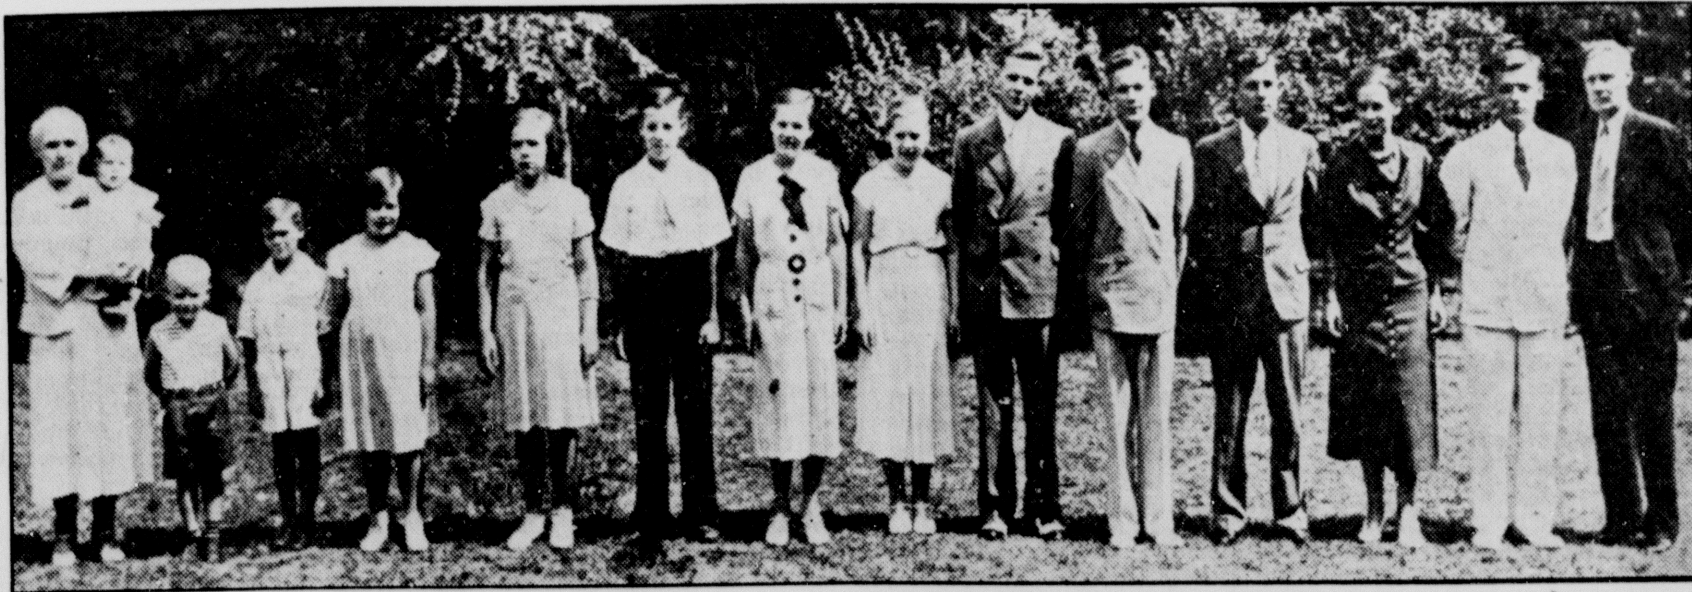

Mrs. Wayne Porter and Larry left Sunday for Velasco to stay with Mr. Porter, who is employed there. He was here for the week end.

Mrs. Tony Rossi spent the week end in Abilene visiting her husband, who is stationed at Camp Barkeley, near there.

Miss Anna Kathryn Overton of Claude spent the week end here with her parents, Mr. and Mrs. C. P. Overton.

The noblest mind the best contentment has.—Spencer.

Here's 'American Mother for 1942' and Her Large Family

Selected as "American Mother for 1942," Mrs. W. N. Berry, left, of Greensboro, N. C., is proud of the war record of her husband and 13 children. One son is a West Point graduate, another graduated from Annapolis, and one each has volunteered for action with the Navy and Marines. One son is a priest and two daughters are Sisters of Charity. Others of the family are in national defense work. Photo was taken several years ago.

Sugar Rationing

(Continued from page 1)

school on Tuesday. Registration will start at 8:30 and end by 5 o'clock. Mr. Speer requests all in this class to secure blanks from him at the high school Friday so as to get all information ready by Tuesday.

Registration of consumers will be held on Monday, May 4. This registration will be in the grade school building of the Canyon schools and at the West Texas State elementary school. All grade school teachers will assist in this registration. Sugar ration books will be issued to every member of every family in the county. One person in each family may secure ration books for other members, but any boarder or employed person living in these homes must secure his own book.

On May 4 the consumers' registration takes place in all school districts, where school is in progress. All transporting districts will register at the school to which the district sends and all residents of the districts will register and make application at these receiving schools.

Those eligible will receive stamp books for the entire family. A family can have as much as six pounds of sugar per person on hand and yet be issued the stamp books, but if the family has as much as eight or ten pounds per person, the stamp books will be issued them later. Everyone is expected to register regardless of the amount of sugar on hand.

The mother preferably, or father, son or daughter over 18 years of age may register the entire family. It is further proposed to have the school bus of each district

transport a representative of each family that needs transportation to the registration point.

There will be plenty of registrars and assistants that have familiarized themselves with requirements who will strive to register each one promptly.

This is a war measure. Each is asked to give it publicity in his or her respective neighborhood.

CARD OF THANKS

We wish to express our sincere appreciation to all those who were so kind to us at the death of our mother, Mrs. Ida Brandt.

John L. Brandt and family
Mrs. William Schmidt and family.

Mabrey Vandergriff of Camp Blanding, Fla., arrived here Thursday of last week to visit his parents, Mr. and Mrs. W. L. Vandergriff, until he receives his call from the U. S. Air Corps.

Mr. and Mrs. Forrest Hill of Goodnight spent the week end here visiting her parents, Mr. and Mrs. H. W. Harden, and his parents, Mr. and Mrs. D. S. Hill.

Floyd Huff of Lockney was here Friday night visiting his son and wife, Mr. and Mrs. Olin Huff, and attending the High School Sophomore play, which Mr. Huff directed.

The Pattern of Europe's Spring Offensives

Fighting desperately to keep the Nazis in check, Russia's Red army faces 4,000,000 men, massed for Hitler's promised spring offensive. Meanwhile, British raids on industrial centers in Germany and occupied France may presage an attempt to establish a second front. Still fighting bravely, 150,000 Yugoslav patriots are locked in a death struggle against 200,000 axis soldiers.

For your reading pleasure (abbr. P. U.): A corny column composed of campus capers and cupid caters consistently connected with cantankerous conjunctions and compiled 'cause Canyon's crazy kids crave common candy-coated cackles contained in this crummy commentary called Cactus Cal.

From something somewhere by someone (if you get stuck by the point): A genius is a mind-laden individual who has, through intensive and incessant research and study consistently apprehended more and more about less and less until he knows everything about nothing.

Dan Cabe thinks he should be eligible for Broadway choruses. He doesn't know he shakes like Jello.

"Determination" typifies Winston Churchill.

Chiang Kai-Shek meets the title, "Well".

Roosevelt's deeds, a book would fill—

But the word that fits Hitler Won't do to tell.

Someone just asked how to spell chaos. Wonder what made him think of that?

The Army Day parade in Amarillo week before last was a sight for newspaper-sick eyes. As long as such obviously well-trained soldiers backed by so many patriotic American citizens represent the successor of Martha Washington's original American flag, there is a definite menace to any opposition of democracy.

Our country needs a lot of dough. So just forget your bean— So he can buy Defense Stamps.

Those sophomores certainly must have practiced on the play they gave last week. John Lill couldn't have kissed Billie Jane Bonfield with so much technique and precise lip puckering without having experienced the sensation previous to the actual encounter.

Lockers are wonderful inventions. It's too bad more pupils who are continually misplacing their books don't take advantage of those individual storage compartments which are provided to avoid the loss of such articles.

Spring is here—or is it?

Reports from Snooperman: Anita Davis and Jack Farley found the scenery more interesting in the direction of the creek's termination at the Junior Class picnic, and consequently proceeded in that vicinity devoid of extensive companionship.

P. S. C. L. Roberts wasn't there.

Frank Sharman is rumored to have found some desirable qualities in Peggy Bishir's company at the same incident-crammed outing.

P. S. Shirley Harrell wasn't there, either.

A black sedan, Grace Robinson, Fern Zimmer, a stack of handsome gentlemen, a tankful of gas, a Sunday afternoon—and draw your own conclusions.

An arresting bit of library publicity which appeared in the student newspaper of the Milwaukee University School as found in the New Library Bulletin by this reporter was:

1. Thou shalt not litter the tables and floors and the library with waste paper and gum wrappers.
2. Thou shalt not, at the end of each period, leave magazines or books on the tables.
3. Thou shalt not deface magazines or library exhibits.
4. Thou shalt not steal the thumbtacks from bulletin boards so that exhibits are left dangling.
5. Thou shalt not borrow inkwell and pen from the librarian's desk without asking permission.
6. Thou shalt not "cause to disappear" rulers and pencils belonging to the library nor remove books without charging.
7. Thou shalt not gain admission to study in another's room under false pretenses.
8. Thou shalt not mumble, whisper, nor talk aloud in the library, as thy selfishness disturbeth thy neighbors.
9. Thou shalt not seek permission to speak to thy neighbor to talk on last night's date instead of thy assignments; this is dishonest.
10. Thou shalt not teeter thy chair on its hind legs, for verily it is better to enter the room below through the doors than the ceiling!

Sanders Wins First Vaulting Ten Feet

Soph Actors Furnish Many Laughs in Play

"I want you to understand distinctly that I'm not a pig," exclaimed Manis Read Foster to Billy Jane Bonfield Friday evening to an auditorium packed full of ardent Sophomore Play attendees.

"I'm a bad child, born in a bad state, in a bad county, in a bad deestrick, and I'm just bad clean through," admitted Helen Jo Cox, a tom-boy and very sarcastic when she warned some of those city-folks not to fool with her.

Molly Nan Ziegler, the frail city gal, cried after a day's experience in the country, "My nerves are all shattered and my dress was completely ruined."

"Wilbur Merriwell's goin' to have me arrested and put in prison. Ain't that awful? Me, who's always been an active member of the church and been the president of the Ladies' Aid for three hull years. In prison! Oh, I dunno what I'll do," said worried Billy Jane Bonfield after she'd been chiseled out of quite a sum of money.

"Well, you ain't tol' me you was goin' to marry up with me yet. Will ye," asked Aaron Slick, John Lill with very little ease in the asking.

And so the curtain fell on a very comical performance of the Sophomore Class.

Curriculum Drops Football 1942

Players Represent Squad Thursday at Discussion

Inviting all the interested football fans to attend and discuss the Canyon High School football question, the Canyon School Board met at the City Hall for a regular assembly Thursday night of last week.

Elected to represent the football squad at the meeting, "Speedy" Wright and Robert Aved, with Coach Wesley Cox, attended.

After giving each visitor an opportunity to express his opinion the school board went into a session where they fully discussed the matter, and then voted to discontinue football for next year.

As an explanation to rumors which have been in the school since the meeting, Superintendent J. B. Speer placed the following announcement on the bulletin board: "The idea seems to be spreading that the school board eliminated all athletic contests.

"The board voted to discontinue inter-school football for the year of 1942-43.

"No other contests were discontinued," J. B. Speer.

"We plan to stress track and field, basketball, boys and girls volleyball, tennis and the physical education program in general," Mr. Speer reported. "Also intramural football as well as other intramural contests will be encouraged."

Four Girls Model Winning Dresses

Shirley Harrell placed first with her white dotted swiss dress when the third-year homemaking class modeled their dresses Monday.

Georgia Faye Holt placed second with her navy blue dress and third place was tied for by Barbara Michael and Martha Jean Dowd. Barbara's dress was of blue dotted swiss with a large white eyelet pique collar; Martha Jean's dress was navy blue sheer with a white lace collar.

The seven girls who modeled their dresses were Shirley, Georgia Faye, Barbara, Martha Jean, Carolyn Black, Genevieve Sullivan and Martha Hannah Hammond. Each girl told the cost, the trouble she had making it, why she chose the accessories she did and criticized her dress as she modeled it.

Sophomores Finish Envelope Project for Soldier Boys

The sophomores, directed by Mrs. Guy B. Tabor, cut and folded 300 envelopes to be sent to Fort Bliss at El Paso.

These envelopes will be used by the men at Fort Bliss to send Mother's Day greeting cards which have been constructed by the grade school pupils.

"The cutting and folding was too difficult for my children; and we are very grateful to Mrs. Tabor's sophomores for doing this for us," said Miss Fronabarger.

Reaching deep into their pockets, the students, faculty and organization of Canyon Public Schools contributed \$24.85 toward the China Relief Fund.

Tracksters Take Fourth in Total

Three Contestants Place Taking Literary Awards

Vaulting 10 feet in the pole vaulting event, Calvin Sanders tied Boyter from Amarillo for first place Saturday at the annual District Interscholastic League meet at West Texas State College. Amarillo High stood first with a total of 90 team points; Claude, second, 24 points; Dumas, third, 23 points; and Canyon, fourth, 10 points.

Calvin also won second in broad jumping, clearing 18 feet 1 inch into the pit. In the 440 relay, Canyon's team, James Wright, Calvin, Jo Carroll Dutton and Billy Brown placed third. Bobbie Dowd was the team substitute. The mile relay team, Earl Byrd, James, Calvin and Billy, won fourth in their dashes. In the 220-yard dash, James Wright placed fourth.

Placing fifth in high jumping was Harris Brown; in shot-put, Billy Brown; in the 100-yard dash, Billy Brown; and in the mile run, Marvin Davenport.

The girls' volleyball team was beaten in the first game when they played the district first place team, Kress. Our team lost the first game, won the second and tied for the third game; but Kress won the first two points; thereby beating Canyon.

The literary contest winners from Canyon High were Vada May Parrish, Joyce Crowley and Helen Jo Cox. Vada May won second on her essay, "Making Up," and Joyce placed second in the typing contests, her score was 116.72. Helen Jo Cox won third in the declamation events, giving the reading "America," by Byron Taylor.

Contributions Are Taken for Navy

Proclaiming the week beginning April 19 as Navy Appreciation Week in Texas, Governor Coke Stevenson has appointed Thursday of this week as school day.

On Thursday, April 23, the students of all institutions, both public and private, will be given an opportunity to contribute to the \$210,000 fund for the Navy Relief Society.

"I know it is needless to stress the importance of this worthy enterprise, since citizenship of our state and nation is anxious, in a small way, to show its appreciation for the high type of service which our Navy is rendering for the cause of democracy," said L. A. Woods, state superintendent.

Council Sponsors Stamp Pledges

To further the selling of Defense Stamps was the purpose of the Student-Faculty Congress' distributing Defense Stamp pledges to Canyon High students last Wednesday and Thursday, April 8-9.

When the pledges were signed, the students were asked to take them to Oscar Schuette, Defense Stamp and War Bond salesman.

"I think that the pledges have carried out the purpose for which they were intended. Many pledges have been given to me, and I hope for more," stated Oscar.

Dick Woods, who pledged to buy one 25 cent stamp each week, has bought \$18 of Stamps this week. Others who pledged to buy one 25 cent stamp each week are Lawrence Boehning, Dorothy Graves and Wilbert Wendelken.

Buying four 25 cent stamps each week, Grace Robinson has pledged to buy more stamps each week than any other student in Canyon High School. Next was Evelyn Black who pledged to buy two 25 cent stamps each week.

Pledging to buy two 10 cent stamps each week were Beulah Hammond, Mary Ben Mooney, John James Harter and Wilma Schuette.

Students who have pledged to buy one 10 cent stamp each week are Laura Bell Arb, Mary Alice Campbell, Martha Hannah Hammond, Mary Nell Morris, Ellen Root, Wynema Robbins, Joyce Sanders and Velta Speer.

State Superintendent Visits Canyon's School Systems

In order to see if Canyon High School and W. T. Demonstration School were up to standard, Mr. Carl G. Clift, Deputy State Superintendent visited here last Friday.

Mr. Clift will send his report to Austin before it is sent to Mr. J. B. Speer, superintendent of Canyon High School and Dr. R. A. Neblett, president of the school board.

Bandsters Will Try for Honors

Eagle Band Enters Region Competition Tomorrow

Pictured above are 37 members of the Canyon High School band and their director, Harold Barnett.

Reading left to right in the first row are Anita Davis, J. Spencer Winn, Ray Nickelson, Wanda Moreland, Gordon Lynn Dickerson, Ellen Sanders and Frances Alice Harp. On the second row are Andy

Walsh, Jr., Charles Owens, Jane Campbell, Dan Cabe, Dick Woods, Ross Bruner, Merle Dickerson, Lila Mae Lill, Claudine Foster, Jack Drake, Marion Williams, Clarence Thompson, Shirley Ann Newberry, George Faye Holt and John James Harter. On the third row are Charles

Taylor, Patsy Woods, Dorothy Gafford, Talmage Bosley, Peggy Bishir, Carolyn Black, Kenneth Bosley, Sarah Slack, Ruth Price, Betty Brown, Helen Jo Cox, Lindsey Taylor, Bobbie Dowd, Martha Jean Dowd and Frank Sharman.

Band members not in the picture are Dana Persons, Shirley Harrell, Leroy Wooten and Billy Davis.

Band Introduces Four Soloists

Canyon Group Will Parade Before Regional Judges

As the band members of the Canyon High School band journey to the Region VI contest to be held in Amarillo today and tomorrow, they will have prayers on their lips and high hopes in their hearts to "bring home the bacon" in the form of prizes.

Individual entrées, trios, quartets and sextettes competing with other band representatives today, are John James Harter, who plays a saxophone solo, "Valse Erica," by Rudy Weidott, and Dan Cabe, who gives the musical selection, "From the Shores of the Mighty Pacific," by Herbert L. Clarke, as a cornet solo.

Students Represent School

Clarke's arrangement of "Flirtations" is to be played by the cornet trio composed of Dan Cabe, Dick Woods and Ross Bruner; the clarinet quartet, Anita Davis, J. Spencer Winn, Andy Walsh and Jane Campbell, playing "Fughetta of the Little Bells," by Handel; and Frank Sharman, Martha Jean Dowd, Bobbie Dowd and Lindsey Taylor, the trombone quartet, planning to play "Marche Triumphale" by William Johnson will enter the contest as representatives of Canyon High School.

As a climax for today's entrées in the contests, Anita Davis will enter as student conductor; while Betty Brown, winner of the elimination, enters the twirling contest.

Band Plays Three Pieces

A warm-up number, "Barnum and Bailey's Favorite," by H. L. King, will be the first number played by the entire band Friday morning, followed by the required pieces, "Two Admirals," by Skornika and "Phantom Trumpeters," by Gillette.

Adjourning from the session at the Municipal Auditorium to Butler Field for the marching contests in the evening, approximately fifteen bands will compete for first in the marching rank of class "C" bands.

"I think the band students have shown particular interest in preparing for this regional contest, and we hope for the best," affirmed Harold Barnett, band master.

Cooper Promotes Good Grooming

To promote attractiveness and better grooming was the objective of Mrs. Leo Cooper as she spoke to Miss Helen Whiteside's third period physical education class Wednesday, April 18.

Victory bobs with fluffy puffs around the face apparently suit a square faced dame; however an oval or round face supporter should prefer longer strings that are pulled up around the face.

"Continuous brushings and regular washings can stimulate a person's hair as much as anything," confirmed Mrs. Cooper as she demonstrated her techniques on Doris Meadows. "However too frequent cleanings will destroy the beauty."

Helpful hints on care of eyelashes, eyebrows and fingernails were also mentioned in the period. "Our invitation is again extended to Mrs. Cooper for a most helpful and interesting demonstration as she gave us this time," commented Miss Whiteside.

Grade School Pupils Celebrate Spring's Return with Plays

As a welcome to spring, the second and the fourth grades celebrated the return of fair weather with parties last week.

Recognition of spring was shown by Mrs. L. M. Cousins' fourth grade by a play called "Hello Spring."

Following the presentation, the pupils popped corn while several read stories for further entertainment.

Sue Jennings directed the following young dramatists: Marion McReynolds, John B. Lyons, Suzanne Owens, Mary Elizabeth Jennings, Ava Margaret Dooley.

Bruce Winn, Robert Odan, Albert Craig, Joanna Haines, Carl Eugene Hair, Martha May Hales and Norris Root.

Surprising Mrs. Roscoe Davis's second grade with a party, the class room mothers, Mesdames Houston Prichard, Emmitt Prichard, Frank Begert and Louis Hinder, planned the affair at which pop and cookies were served to the pupils last Friday afternoon.

Several impromptu games were played while refreshments were being served.

"I had a fall last night that left me unconscious for six hours." "Good gosh! Where did you fall?" "I fell asleep."

Paper Gets Around As Letter Reveals

Proof that "The Eagle's Tale" really "gets around" is shown by this letter which was received by Miss Elva Fronabarger, principal of Canyon Grade School, after her picture and feature appeared in the issue of February 26.

Hoquiam, Washington
2217 Simpson Avenue
April 1, 1942

Miss Elva Fronabarger
Canyon, Texas

Dear Miss Fronabarger:

I did not mean to play an April Fool trick on you, but I know this letter will certainly be a surprise to you.

There is a Mr. S. A. Fletcher lived here in Hoquiam that used to live in Canyon about twenty years ago. Each week he leaves The Canyon News at the grocery store for me.

I enjoy reading it so much that I usually even read all the advertisements.

How happy I was to see your picture and the sketch about you in the paper. For really, Miss Fronabarger, you will never know just how much my associations in Canyon and Borger helped me in my teaching. It was such a joy to work with you.

Now—who am I? Well, I won't keep it a secret any longer. You knew me as Catherine Purvis.

Another interesting thing about the paper is keeping up with Charles Halbert whom I taught in the fourth and fifth grade.

Sincerely,
Mrs. J. H. Redden.

Having graduated from West Texas State College and having done her practice teaching under Miss Fronabarger, Catherine Purvis also taught for one of the several years she was in Borger under the supervision of Miss Fronabarger.

Lila Lill Although Ill Didn't Miss Inches

Measles might daunt some people, but not Lila Mae Lill. Although Lila Mae was ill with the measles, she figured that she could not miss getting some inches in The Eagle's Tale; so she used her poetic ability and sent a poem to The Eagle's Tale. A good poem it was, too.

It never hurts to try, does it?

The Football Squad
By Shirley Cox
Canyon High School
Gentlemen:

The school board wishes to express to you its keen appreciation of your fine spirit of cooperation with our decision to discontinue interscholastic football for the season 1942-43. We feel that this decision was necessary due to the government program of saving essential war materials, and your intelligent attitude toward this decision is very fine.

Mr. Speer has been requested to prepare a more comprehensive physical education and recreational program, and we feel sure that any suggestions that you might make will be duly appreciated.

Sincerely yours,
Board of Trustees.

Four Homemaking Students Return Sunday from Dallas State Rally

Two Canyon High students returned last Sunday from the homemaking rally in Dallas. Ellen Sanders, delegate from the homemaking classes and Shirley Harrell, state corresponding secretary, represented the school in the activities of the convention.

Jackie Weathersbee from West Texas High School; Frankie Phillips, vice-president of Area I, and Miss Rose Parsley and Miss Lilla Clary, homemaking instructors, included those who attended the rally from Canyon.

Sanders Participates in Discussion

Friday morning, Ellen participated in a panel discussion on "What We Can Do for Uncle Sam." In the last general meeting, Jackie Weathersbee gave a secretarial report on the resolutions decided upon. At the same hour, other panels were held concerning "Being a Good Neighbor," "The Place of Future Homemakers in the Care of Children for the Emergency," "Strengthening the Nutrition Front" and Working on Student Problems through Youth Councils.

Frankie and Shirley attended the executive and advising council at this time. In the afternoon all the four students enjoyed the first general meeting of the rally.

Parmley Leads Singing

Miss Nell Parmley, state director of music, led the group in singing. Speeches were presented by Blanche Patriack, state president of F. H. T.; Don Keeble, president of boys' section; Dr. L. A. Woods, state superintendent.

Dr. Bernice Moore, sociological advisor of home and family life education in Austin led a panel discussion on "Youth in War."

Friday night, "Fun Night," including amateur numbers, was held for the conventioners.

Representatives Attend Meeting Saturday found the representatives attending the house of delegates meeting in which new officers were elected. The new president of the Future Homemakers of Texas is Miss Fairy Breeding, Sweetwater. Shirley Tucker, Bellville, was chosen as corresponding secretary to replace Shirley Harrell.

Initiation of new officers completed the last phase of the rally.

Bishir's First Grade Showers Nacio Luna with Many Gifts

To cheer Nacio Luna, who withdrew from Mrs. M. S. Bishir's first grade because of illness, will be many presents that his school-mates presented him in the form of a shower.

Among the various gifts were fruit, candy, small toys and other things for his entertainment, while for his comfort there were added three pairs of pajamas and a robe. From the members of the Junior Red Cross came the small afghan which was included in the shower.

FFA Boys Will Take Annual Project Moving Pictures

Canyon High's Future Farmers of America are dressing up their projects in preparation for having them filmed in technicolor sometime this week.

A 100-foot reel will be taken of the various projects.

Juniors Enjoy Picnic In Spite of Scare

With a last look at the clouded sky and a fervent hope that nature would hold her "tears" until after their picnic, 32 juniors went prayerfully to bed Friday night.

When the juniors awakened, they found that although it had not rained Friday night, the Saturday morning sky was dark with overhanging clouds. However, this did not daunt the juniors. With a picnic spirit, they met at the school house and got started on their way.

Transportation facilities being provided by the three room mothers, Mrs. H. G. Persons, Mrs. J. J. Wright and Mrs. W. C. Black, all the picnicers journeyed to the Methodist Encampment.

After a few hours of strenuous hiking, the picnicers found that they possessed a ravishing appetite. After literally stuffing themselves with hot-dogs and apples and washing the mixture down with lemonade, peppermint sticks were passed out by Mrs. Guy Tabor, sponsor.

About 4:30 o'clock 32 tired juniors rode home with bruised muscles, barbed-wire cuts and more happy memories of high school life.

Spanish Interests Grade Students

Although it is new in the grades, Spanish is reported by Miss Elva Fronabarger, grade principal, to be becoming fast a favorite subject with the pupils.

Used for the first time in Canyon Grade School as a regular study, Spanish has been taught approximately two months to the third, fourth and sixth grades by Mrs. R. E. Harter, Mrs. L. T. Barksdale, Mrs. L. M. Cousins, Mrs. James Jennings and Mrs. Andy Walsh.

"The subject is an outstanding success, and this proves that children learn foreign languages much faster than adults," commented Miss Fronabarger.

Already the pupils have in their vocabulary over one hundred Spanish words which they use in complete sentences. The entire class discussion is carried on in Spanish. Pictures, colors and objects are used to teach the practical use of the language. The teachers are discouraging the use of one-word answers in replies to questions in order that the pupils will become better acquainted with the words.

At the same time, they are encouraging the use of natural expression in sentences and Spanish stories which the pupils learn, tell and translate to each other.

"The pupils are very interested, and the response is spontaneous in the discussion," reported Miss Fronabarger.

And I said to myself, as I lit my cigar,
"Supposing a man had the wealth of the Czar
Of the Russias to boot, for the rest of his days,
On the whole do you think he would have much to spare
If he married a woman with nothing to wear?"—Wm. A. Butler.

Texas Tech Trims WT In First Meet

First Track Team in Eleven Years Loses By Seven Points

Breezing down a slow track in the mile relay, little Norman Volz overtook a tiring Price Brookfield in the third lap. Texas Tech nosed out West Texas State 69-61 in a dual track and field meet in Lubbock by taking the mile relay.

It was the first track and field team to represent West Texas in eleven years.

No records were broken at Chapman field, but the teams entertained a crowd of more than a thousand fans.

The summaries:
120-yard high hurdles—House of West Texas; McKnight of Tech;

Dowlen of West Texas; time: 16.9 seconds.

100-yard dash—McMahan of West Texas; Webster of Tech; Curb of West Texas; time: 10.7 seconds.

1-mile run—Campbell of Tech; Mikeka of Tech; Hall of West Texas; time: 4 minutes, 51.5 seconds.

440-yard dash—Burdett of Tech; Barton of Tech; Pruitt of West Texas; time: 53.4 seconds.

220-yard dash—Burdett of Tech; McMahan of West Texas; Winter of West Texas; time: 23.8 seconds.

220-yard low hurdles—Curb of West Texas; Jackson of Tech; time: 28 seconds.

880-yard run—Barton of Tech; Brooks of West Texas; Thornburg of West Texas; time: 2 minutes 9 seconds.

2-mile run—Cunningham of Tech; Campbell of Tech; Clinton of West Texas; time 11 minutes 35.5 seconds.

1-mile relay—Texas Tech (Callahan, Barton, Volz and Burdett; West Texas (B. Pruitt, Winter, Brookfield, Thornburg; time: 3 minutes, 36 seconds.

Javelin—Brookfield of West Texas; Callahan of Tech; Hall of West Texas; distance: 156 feet, 2 inches.

High jump—Stockman and Brookfield of West Texas and McColloch and St. Clair of Tech tied for first place; height: 5 feet, 11 inches.

Shot put—Callahan of Tech; Reed of West Texas and Stockman of West Texas; distance: 40 feet, 1 inch.

Pole vault—Stockman of West Texas and Callahan of Tech tied for first and second; Word and Winter of West Texas and Gilley and Storrs of Tech tied for third; height: 10 feet, 9 inches.

Broad jump—McKnight of Tech; Thornburg of West Texas and Dowlen of West Texas; distance: 20 feet, 4 inches.

Discus—Reed of West Texas; Halbert of West Texas; Callahan of Tech; distance: 122 feet.

Team totals: West Texas 61; Texas Tech 69.

High individual scores: Callahan of Tech, 14½; Burdett of Tech, 11¼; Reed and McMahan of West Texas, Barton, McKnight and Campbell of Tech, 8 points each. Brookfield of West Texas 7½; Stockman of West Texas 7.

Second Lions' Club Minstrel Is April 27-28

A couple of dozen jiggers of fun and frolic will be handed out to students and townspeople when the Canyon Lions Club presents its Second Annual Lions Club Minstrel Monday, April 27, and Tuesday, April 28. This minstrel, which benefits almost everyone except the Lions, will be given in the College Auditorium Monday night and in the Canyon High School Auditorium Tuesday night.

Recipients of the proceeds will be the College Choir, the Dahlia Society, the County Library and the College summer activities program which includes swimming, band, and playground equipment.

The cast includes many of the same septa-toned faculty members who helped present the highly enjoyable program early last year.

End men will be Dr. C. W. Freed, Coach Leslie Van Meter, Carl York, Rev. Joe Findley, Bill Smith and Bob Clark. The interlocutor will be Dr. A. Kirk Knott. In charge of vocal music will be Houston Bright and in charge of the Old Kentucky Minstrel band will be Harold Barnett, the motorcycle-riding band director at Canyon High School.

The company will be in costume and the program will consist of plenty of good, witty jokes with vocal solos and unique musical arrangements.

Admission will be 25 cents for all students and 50 cents for adults. Ralph Owens is in charge of ticket sales.

ORDINANCE NO. 91

Peddler's and Solicitor's Ordinance, Canyon, Texas.

An Ordinance requiring all persons canvassing for, selling, or soliciting upon streets, thoroughfares, parks or public places, or from house to house, for funds or money in exchange for or constituting the sale or purchase price, or a part thereof, of any goods, wares, merchandise of any kind or character to obtain License from City Assessor and Collector of Taxes; Fixing amount of License; and Fixing penalty for violation of this Ordinance.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF CANYON, TEXAS, THAT:

SECTION I. All persons canvassing for, selling, or soliciting upon the streets, thoroughfares, parks or public places, or from house to house, within the City limits of the City of Canyon, Texas for funds or money, in exchange for, or constituting the sale or purchase price of the whole, or any part thereof, of any goods, wares, or merchandise of any kind or character, including paintings, pictures, newspapers, periodicals, books, magazines, or pamphlets, shall be required to obtain from the City Tax Collector of the City of Canyon, Texas, a license to transact said business, and shall pay to the said City Tax Collector of the City of Canyon, Texas the sum of fifty cents per person per day, for each day for which a license shall be granted.

SECTION II. Failure of any person or persons, to obtain license as provided in Section I of this ordinance shall constitute a misdemeanor, and the failure of any person or persons to obtain such license shall be punishable by a fine, not exceeding One Hundred Dollars, upon conviction.

SECTION III. That, if any section, subdivision, clause, or phrase of this ordinance is for any reason held to be unconstitutional or void, such decision shall not effect the validity of the remaining portions of this ordinance.

SECTION IV. That the fact that the present ordinances of the City of Canyon, Texas, are inadequate and the further fact that many peddlers are now plying their trade without a license, creates an emergency; and a rule requiring reading of ordinances on three several days is hereby suspended; and this ordinance is declared an emergency ordinance and shall take effect from and after its passage and approval.

PASSED AND APPROVED, this 13th day of April, A. D. 1942.

Mechanized attack ...on a telephone job

Caterpillar treads clatter over rolling plains. Down into trenches opened by giant plows that cut clay or rocky ledges without halt, flow armored telephone cables. Their copper voice paths soon will reinforce the long distance lines carrying the flood of military and supply calls needed for this nation's drive for victory.

This newer, faster way of placing long distance cable...a freeman's idea developed in the laboratories of a great free enterprise...helps us to serve our country now when every minute counts...helps in peace or war to give the nation...and you...the best telephone service to be had anywhere in the world.

Construction On Campus Goes On

N. Y. A. work on the Randall Hall annex may be resumed within a few days.

The College is still hiring students to work on the building and Dr. J. A. Hill, President, stated that there are jobs for more students.

Practically all material necessary for construction is available with the exception of minor fixtures.

Student Jobs Available

It was understood from the contractors for the Science Building yesterday that practically all materials for its construction were available also. They report that no particular difficulties have arisen to hinder continuance of work.

Student labor is also being used in the construction of this building. The new Science Building is to be 172 by 97 feet and is to be built of brick, concrete, and trimmed with stone with some wooden construction.

The Departments of Physics, Chemistry, Biology, and Agriculture will occupy this building.

Museum Building Needs Money

Principal factor hindering more rapid progress on construction of the addition of the Panhandle-Plains Museum is the lack of sufficient funds with which to purchase materials. The securing of stone, roofing material and windows are major problems.

Some \$6,000 or \$7,000 more is needed.

More construction work being done on the campus is the building of a stone concession booth inside the west wall surrounding Buffalo Field and track.

Box seats are being constructed between the grandstand and track. This work in the athletic department is being sponsored by the Canyon Athletic Club and is being done by W. P. A. labor.

Fighting Fire Bombs Shown at Olympic

Handling incendiary bombs will be explained in pictures and dialogue at the Olympic Friday and Saturday. This special feature is approved by the government and is issued as an educational feature.

Handling incendiary bombs is a simple operation if citizens are thoroughly familiar with the bombs, according to information issued by Washington.

H. L. Thurston of Spur To Preach at M. E. Church

Rev. H. L. Thurston, pastor of the Methodist Church of Spur, will fill the pulpit in the local Methodist Church Sunday evening at 8:30 o'clock. The choir will sing at that time.

Rev. Thurston and Rev. C. C. Armstrong, the local pastor, will leave early Monday for Louisville, Ky., where they will attend a meeting of the Representatives of the Board of Missions and Church Extension. Rev. Armstrong, who is chairman of the Board of Missions and Church Extension of Northwest Texas Conference of the Methodist Church, and Rev. Thurston, who is secretary of the same board, are being sent as delegates by the Board of Missions.

They will not return until early the following week.
